

## Welding & Cutting

### LET'S SPARK YOUR INTEREST WITH COVERAGE FOR WELDING & CUTTING

Berkley Aspire offers coverage to meet your needs ...whether operations center on farm machinery or trailer hitches....just to name a few.

#### ASPIRE APPETITE

This classification applies to welding operations including, but not limited to, farm machinery and construction equipment repair, welding work on hand rails, and pre-manufactured trailer hitches. If the risk's primary operation is something other than welding and the welding performed is incidental to that other operation, the risk should be classified and rated in accordance with the primary classification.

Products and services described above are provided through various surplus lines insurance company subsidiaries of W. R. Berkley Corporation and offered through licensed surplus lines brokers. Not all products and services may be available in all jurisdictions, and the coverage provided by any insurer is subject to the actual terms and conditions of the policies issued. Surplus lines insurance carriers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds. Berkley Connect Insurance Solutions, LLC or its designated licensee conducts business in all states including California as a licensed surplus lines broker (License #0H99364) For Additional Information concerning W.
